:: COUNTY CORRESPONDENCE ::

LEADWOOD

Rev. J. W. Ham and B. A. Rea transacted business in Farmington Wednesday.

The Leadwood Booster Club has secured the lot between the B. T. F. & C. Co. store and the residence of J. M. Bryant for the purpose of erecting a band stand. The club expects to make this a small park where the citizens can take their families and spend the warm evenings, where the band expects to give concerts each week.

Let every citizen of Leadwood join the Leadwood Booster Club and help boost the town, and everything that is good and uplifting to our citizen.

The writer has often heard it said by out-of-town folks that they like to come to Leadwood as they always feel at home among a common class of people. And we will say that it is the aim of our town club to bring its citizens in closer touch with each other, both in social and moral way of speaking.

Prof. J. W. Reaves returned to Leadwood from Cape Girardeau Wednesday, but only stayed at home here one day and night, as he expects to have an operation performed on Mrs. Reaves at the hospital, for appendicitis.

The first game of baseball of the St. Joseph Lead Co. league here at Leadwood was played Tuesday between the Mine Department and the Mechanical Department, which was won by the latter by the close score of 11 to 10. The outstanding features of the game was the allround playing and coaching of Esquire Level, and the fielding of Zebra Denton and Willard Nance.

John S. Towl, of Farmington, was transacting business in Leadwood in connection with the bank, of which he is President.

John G. Hunt, candidate for the Democratic nomination for Sheriff, was in town looking for voters Wednesday.

I. N. Threlkeld, of Elvins, was in Leadwood one day last week, with David E. Blair, of Joplin, who is candidate for Judge of Supreme Court Division No. 2 on the Republican ticket.

James W. Boswell, candidate for Judge of the County Court, Second District, was in town looking up the voters Wednesday.

E. K. Shoultz was transacting business in St. Louis, the latter part of the week looking after some drayage work.

Evangelist J. W. Hickerson of Fort Worth, Tex., is assisting Rev. C. E. Calbert in a protracted meeting at the Baptist church. Rev. Hickerson is a very fluent speaker.

The Farmington Times has become one of the most popular newspapers in Leadwood. And why should it not be so considered? It is fearless in the cause of right and of humanity. Every Democrat that believes in the matchless leadership of President Wilson should subscribe for this splendid paper.

In the game of ball between the Mechanical Department and the Office Boys of the St. Joseph Lead Co., on June 24th, the Office Boys won by the score of 7 to 4. Esquire Level continues to smite the sphere on the proboscis, but the most of the time it goes in the direction of the back-stop.

The Fats and Leans played a game of ball on the 25th in which the Leans were winners by the score of 21 to 13. Mr. R. S. Warner and S. S. Clark formed the battery for the Leans; and Smoky Joe Woods, Dock

Van Lear and Herkey Deremiah for the Fats. The catching of Clark, whose duty it was to see that the 7th Commandment was strictly adhered to, was observed by the Fats to the letter. It was seen from the start that Wood was not in his usual good form, and he was derided in the 3rd, and Dock Van Lear took up the pitching, after which the scoring was stopped for the Leans. There is one thing to be regretted by these exhibition games, and that is that we are afraid that Dock Van Lear's great allround playing will attract the attention of some of our big league scouts and we will lose one of Leadwood's best ball players, as well as one of our stalwart Democrats.

Ernest Mason and wife of Bonne Terre were visiting his parents here Saturday night and Sunday.

Ernest Mason of the Cash and Carry store here was called to Bonne Terre the last of the week to help out in the Cash and Carry store there for a few days.

Prof. Bert Lumos, President of Marvin College at Fredericktown, Mo., was here Monday afternoon in the interest of the college.

The first game of baseball here, last Sunday afternoon, between the regular team of Leadwood and Bonne Terre, was won by Leadwood by the score of 11 to 4. The pitching of Ben Glore, and the catching of McGuire was too much for Bonne Terre. It was our first time to see the Leadwood team in action this year; in fact it was their first game that they have played this year; and judging from the way the team handled themselves, they will win more games this year than they will lose.

Mr. and Mrs. H. L. Stapp were visiting relatives in Doe Run Sunday.

C. B. Acuff and family of Bonne Terre were visiting friends in Leadwood Sunday afternoon.

J. F. Beckler, our popular traffic cop, made a business trip to Bonne Terre the latter part of the week. It is not very often that John gets off of his regular beat, but he says that if Gov. Cox is nominated for President that he may resign his position and take the stump for the Governor, as he was a close neighbor to the Governor a few years ago in Dayton, Ohio.

ELVINS

Mrs. Geo. Kinney and children, who have been here visiting relatives for the past week, left for Detroit Sunday.
